Theme of the Conference:

English language and literature is one of the most significant areas in research. It is noted that there has been constant alterations and innovations in this fields of study with the emergence of technology and study tools. It has quite greatly formed a considerable effect on the communication and study of literature. The area of English literature has been expanded immensely today which never has been the case before a few decades. A great number of literary books fiction and non-fiction are being written in English around the world and hence the scope of literatures in English has been widened extensively. Same is the case with India, a number of writers are writing in English contributing to the main canon of literatures in English. Indian literatures (of various languages) in English has occupied remarkable place and value at national and international level. It is necessary to track systematically the development of English language and literatures in English and hence the organization of present conference. The conference is indented to comply with the following objectives:

1. To underline the need, significance and inevitability of English language and literatures in English at present.
2. To explore the relation between language, literature and culture.
3. To know the current trends and emerging areas in English language and literatures in English.
4. To promote the research and study of English language and literatures in English.
5. To disclose the role, relation and impact of technology on language and literature

Sub-themes to be covered:

The conference is organized based on following sub-themes:

1. Emerging Trends in English Language

About College and Department:

The College has been established in 1993 under the wings of Shri. Gajanan Shikshan Prasarak Mandal, Yeldari (Camp) by Hon. Shri B. R. Toshniwal with the mission to spread quality education in the rural area, understanding the challenges posed by changing paradigms of the present day education system. Government has conferred Linguistic Minority status to the trust. The college is recognized under 2f and 12(B) by UGC, New Delhi and affiliated to Swami Ramanand Teerth Marathwada University, Nanded (MS). The College is re-accredited by NAAC with "B" grade. The College provides Co-education leading to Arts, Commerce and Science faculty UG and PG degree. The college takes care of students in their overall curricular as well as co-curricular development through various programs and events organized by various cells. The college has signed MoU with different Industries and eminent institutions.

The department of English has been commenced in 1993 with the beginning of English as Compulsory and Elective Course offering language and literature as its specialization. It comprises of the three streams/ faculties Arts, Commerce and Science. The department is actively engaged in the process of teaching, learning and evaluation since its commencement. It has been and always being striving to increase the level of quality education undertaking various kinds of curricular, co-curricular and extra-curricular activities for the students. It believes in high performance and quality standards in pursuing the higher education and often forwarded its steps in this regard. The department is also actively engaged in research activities and produced a good number of research papers and projects (<http://www.toshniwalcollege.ac.in/index.php?page=uploaddata/Profile/Arts/English/English>). The department is highly tech-savvy and uses modern technology to provide online study material to the students through YouTube Channel Literature Simply (<https://www.youtube.com/c/literaturesimply>) and Website literaturesimply.com. Apart from the regular teaching-learning, it also attempts to impart informal education like inculcating the human values among students.

Prominent Objectives of the Department:

- 1.To enhance and foster students' interest in learning English language and literature.
- 2.To make students job efficient and create job skills required for employment and make them self-reliable.
- 3.To provide platform for students to build their career in English language and creative writing.
- 4.To contribute in the development of this area by producing potential manpower in the form of students.

Department Slogan:

"If you want to rule the world of knowledge, you must rule the English language first."
