About Conference:

Filtering across several centuries and regions there some movement, personalities and objects that stand out as the heroes of history writing, and some remarkable examples of this process of historical filtering are Mahatma Phule, Savitribai Phule, Rajarshi Shahu Maharaj, Dr. Babasaheb Ambedkar. The scientific view, forward and logical thinking, judicious outlook provides the vision to human being. These great thinkers and social reformer always insisted on the fundamental rights of farmers and the downtrodden people of society. The contributions made by these eminent souls towards nation building are really extraordinary, their activities and thoughts guided the nation to a new beginning. Beside this, through the conference, an earnest effort will be made to bring the concerned teachers together to make communication possible among them which will be helpful to understand and analyze the contribution of social reformers and thinkers in nation-building.
