College offers the UG and PG programs in the faculty of art's, commerce and science. College take care of the students in their overall curricular as well as co-curricular development through various programs and events organized by various cells in the college. College has signed MoU with different industries and eminent institution keeping in mind student at the centre.

The department of chemistry is one of the leading department in the institute, established in year 2009. The department has well-furnished and well equipped laboratory. The department has two highly competent faculty members, actively engaged in curricular as well as co-curricular activities at different level like quiz competition, poster presentation, seminars, general awareness programs, Avishkar etc. Department organizes District Level Science Exhibition, Agri expo and LIGO workshop.

About Conference:

The National Conference on "INNOVATIVE RESEARCH IN CHEMISTRY AND ALLIED SUBJECTS" provides the perfect platform for scientists, researchers, industrial delegations, students and citizens to exchange and learn about the recent break thoughts in the fields of "Chemistry and allied subjects". Through this event participants will have the chance to learn about current innovative developments in the Chemistry area and also establish new professional relationship, partnerships and collaborations. We hope that this conference will tremendously enhance our understanding of the most cutting edge, scientific fields related to chemistry.

About Hingoli:

Hingoli, one of the holy districts of Maharashtra state, came into existence on 01st May, 1999 with five blocks. This district has birth place of *Saint Shree Namdeva* born during 1270 AD at village *Narsi Namdev*, 8th *Jyotirlinga* of *Lord Mahadeva* at Aundh Nagnath, temple of *Lord Mallinath* at Shirad Shahapur and so on.
