**Internal Examination Committee Report
(2018-19)**

Internal Examination is necessary for the all subject as it is very helpful to find out the slow and advance learner among the students as well as their progress. The university also prescribed the internal evaluation for the student as it is a part of their marking system. The overview and controlling the all process the college have Internal Examination Committee which help all the department through their meeting for arranging such exams. University prescribed the Continues Assessment and as per the University pattern the every department has arranged the Test, Tutorial, Home Assignments and Seminar. Along with these kind of assessment science departments organizes Tricky Question, Sample Identification, Spotting, Hands on Experiment, Software Handling, ICT based Seminar etc. Commerce department depute their students for internship regarding Human Resource Management and Marketing Management and collect a project report from them. However some department like Sociology, Geology, Physics and Botany also organized field/ study tour for their students, Physics and Electronics also conducted Group Discussion for internal evaluation of their students.

Every department having their full record of Continuous Internal Assessment and also they submitted their internal marks in time to university as internal marks having weightage in marking system.

For the next year we have plan which discussed in our last meeting to encourage department to arrange some surprise test, some department will motivate for arranging weekly test also Commerce and Science faculty should advised to conduct Power Point Presentation of the student which is very helpful for them.
