Internal Examination Committee Report

(2020-21)

Internal Examination is necessary for the all subject as it is very helpful to find out the slow and advance learner among the students as well as their progress. The university also prescribed the internal evaluation for the student as it is a part of their marking system. The overview and controlling the all process the college have Internal Examination Committee which help all the department through their meeting for arranging such exams. University prescribed the Continues Assessment and as per the University pattern the every department has arranged the Test, Tutorial, Home Assignments and Seminar. Along with these kind of assessment other departments organizes types of activity for internal evaluation of their students. Due to pandemic condition of COVID-19 in the academic year 2020-21, college should not able to call student physically and conducting all these activities in presence, so all department are trying to use different ways to collect their assignment, test and project over online method like Google Classroom, Google form, Whatsapp group, Telegram, Edmodo, Teachment, Soft Camp and via E-mail etc. Also faculty members use Zoom, Google Meet and JioMeet for Live interaction and conducting Seminars and Group Discussion for accessing them as internal evaluation.

Every department having their full record of Continuous Internal Assessment and also they submitted their internal marks in time to university as internal marks having weightage in marking system.

Hope so that from the next year if restriction will stop and allow to start college physically then we should encourage all the department to arrange some surprise test, some department will motivate for arranging weekly test also Commerce and Science faculty should advised to conduct Power Point Presentation of the student which is very helpful for them.
