

Placement Drive Report

A. Y. 2017-18

The placement cell is established in the college to fulfill the need of students in quest of their job opportunities and employment. The placement cell is a genuine platform to provide ample opportunities to students in the corporate world. The students will get real exposure in the real world of work through cell. Placement cell gives assistance to the students and develop the ability to think out the routine schedule. It organizes webinars, workshops, personality development programme and guest lecture are the regular activities for the students to get ample opportunities to closely interact with professionals from different industries and companies. The main objective of the placement cell is to find out the appropriate employment opportunities for the students of our college after completion of their degree. The cell promotes close industry and institution relationship. It also organizes soft skills training programme for the students. Through various activities of placement cell entrepreneurship awareness created among the students. The cell is interacting with the alumni to make them available certain opportunities of employment.

The cell organized placement camp in the college on 11th March 2018. The cell invited five esteemed companies in the college to offer different types of employment to the students of our college. They have adopted interview process mechanism to select the students of our college for various jobs. The students have confidently faced the interview with their intellectual deliberations. Fifty one (51) students have been participated in the placement camp. Out of these, eighteen (18) students have been selected for different jobs or employment in these companies.
