Research and Innovation Committee Annual Report 2018-19

The Research Committee always arrange various programs for the research capacity building among the student as well as teachers. The research Committee also has actively engaged in the institutes research and extension activities during the academic year 2018-19. In this year we arranged two meeting in separate semester to overcome the issues and decided some facts as

- Felicitation of faculty members for up gradation of the educational career.
- Arrangement of program for academic year 2018-19.
- Call for National Conference arrangement from various departments
- Call for project submission from faculty.
- Arranging workshop of various subjects of science

The details are presented with quantitative figures as below

Only because of the efforts done by research committee, the research culture was generated by our committee, our faculty members were submitted 10 projects to different funding agencies, more than 80 National and international research papers were published in this academic year. Along with that two books were published and one chapter is published in Book.

Our three faculties were served as experts, chairpersons or resource persons. Our two faculty got state level award for their work.

We organized College Level Science Exhibition, District Level Avishkar, poster presentation, National Conference in Physics, Fishery Science and Commerce, Workshop on LIGO, India, and Science day celebration.
