

Annual Report: Academic Year 2017-18

Department of Student Welfare and Scholarships

Following is the annual report of the work done by the Student Welfare and Scholarship Committee during the academic year 2017-2018. This department has passed and implemented some important resolutions for the overall development of students.

The committee made the following efforts to facilitate the students to come and go to the college. A resolution was taken and implemented to provide a bus stop near the college for Hingoli – Senggaon and Senggaon – Hingoli buses.

Maharashtra government bus services are not available to some student villages in rural areas. For the convenience of such students, the committee recommended to the college administration and management that the school bus of the college should be started. Due to this recommendation of the committee, school buses were started in Khudaj, Warud, Pusegaon.

The committee took a resolution and requested the college administration and management to provide Filter drinking water for the health of the students in the college. Also the toilets available for male and female students are decreasing. In this regard also the committee took a resolution and requested the college administration and management.

Both these requests were accepted and Filter drinking water Service is available to the students and the toilets were repaired.

The committee has taken some important decisions and implemented them for the convenience of the students with backward class scholarships. Importantly, MAHA-DBT Portal was given detailed information and a resolution was passed to train the students on how to fill the online scholarship form and it was implemented through the committee. Due to this effort of the committee, 416 students of the college got the benefit of Government of India scholarship.
