

## Annual Report: Academic Year 2020-2021

### (Department of Student Welfare and Scholarships)

In the academic year 2020 - 2021, the Student Welfare and Scholarship Committee passed and implemented some important proceeding for the overall development and welfare of the students. Following is the annual report of the work done by the student welfare committee.

- Considering that it is necessary to have water filter system in the college from the health perspective of the students, the committee took a proceeding that the **water filter machines** should be repaired. That's why committee followed up the administration and management to fulfill it. So they provided water filter was for the students.
- Considering that it is necessary to start a **canteen** in the college for students and staff, the committee took a resolution to start a canteen. As per request of committee to administration and management for provide facility of Canteen. Therefore, a new canteen has been started at the out of campus.
- How and what kind of assistance can be given to backward class scholarship holders by holding committee meetings. Tried how to give benefit of scholarship to maximum number of students. Obtaining the documents required for the scholarship from various offices, filling the scholarship form on MAHA DBT Portal, helping in opening bank accounts, linking mobile, Aadhar number and bank accounts etc.

Due to this effort of the committee, 419 students of the college got the benefit of Government of India scholarship in the academic year 2020 - 2021.
