

## Annual Report

Academic Year: 2021 - 2022

(Department of Student Welfare and GOI Scholarships)

Following is the annual report of the work done by the Student Welfare and Scholarship Committee during the academic year 2021-2022 for the development of the students in the college. This department has passed and implemented some important proceedings for the overall development of students.

The committee took a resolution that there should be separate bicycle stands for boys and girls in the college. We are following up the administration and management to implement it.

Benches should be arranged in the college area for the students. For this, the committee followed up the administration. Benches were placed in the college campus of the through the efforts of the student welfare committee.

Maharashtra government bus services are not available to some student villages in rural areas. For the convenience of such students, the committee requested the college administration and management to start the school bus of the college. Due to this recommendation of the committee, school buses were started some villages.

The committee has taken some important decisions and implemented them for the convenience of the students with backward class scholarships. Importantly, MAHA-DBT Portal was given detailed information. Scholarship holder students were trained on how to fill the online scholarship form. Due to this effort of the committee, 598 students of the college got the benefit of Government of India scholarship.
