

## DEPARTMENT OF FISHERY SCIENCE

Report on

Certificate Course In "Aquarium fish keeping and management"  
(Academic Year 2021-22)

### Introduction:

The course was designed during academic year 2017-18 with the aim to create expertise in the aquarium fish industry and the course was continuing till the academic year 2019-20. Due to Covid19 Pandemic situation the course could not be undertaken during academic year 2020-21. The certificate course was again conducted during academic year 2021-22.

The course is designed to focus on different aspects of the ornamental fish industry, imparting skills in participant to identify different valuable aquarium fish and plant species, to carry out breeding and seed production of different ornamental fish and plant species, aquarium feed preparation and management, setting of aquarium tanks, care and maintenance of aquarium tanks, etc.

The course will create the ocean of opportunities for the participant to earn sustainable income and explore the new avenues of the ornamental fish sector including export of the ornamental fishes. Moreover, highly valued and endangered local species can also be conserved by application of the technical knowhow gained through this course.

**Course Duration:** 45 Teaching Hours

Following student have successfully completed the certificate course during academic year 2021-22:

Sr. No	Student's Name	Gender	Class
1	Hule Dipak Subhash	M	B. Sc. T. Y.
2	Late Vijay Kalnu	M	B. Sc. T. Y.
3	More Sunil Baban	M	B. Sc. T. Y.
4	Pawade Sachin Ramji	M	B. Sc. T. Y.

  
Head, Department of Fishery Science

Shri Gajanan Shikshan Prasarak Mandal's  
Toshniwal Arts, Commerce & Science College,  
Sengaon, Tq. Sengaon Dist. Hingoli
